X-YACHTS PRO SERVICE AND WINTER STORAGE

PROFESSIONAL TREATMENT AT X-YACHTS

At the yard in Haderslev, we have more than 40 years of experience in servicing and repairing boats. Our team include 25 dedicated specialists all year round.

We work closely together with our in-house designers and production team and have the same valuable access to material, tools and documentation.

With the X-Yachts Pro Service, your X-Yacht is both technically and safety prepared for the sailing season, and your boat will maintain its value.

By choosing this professional service you also prolong the expected lifespan of your yacht, and of course the service meets the usual high X-Yachts standard.
